

Sumner Family Aquatic Center / Rec Staff Employment Application

Submission Deadline: February 23rd, 2019

Sumner Parks and Rec is looking for candidates for summer work for the Sumner Family Aquatic Center (SFAC) and ball field concession stands. Positions vary and you may apply and work in more than one position if desired. Training for the various roles will be provided. Lifeguard and WSI Certifications are the responsibility of the employee. SFAC Employees are expected to work until pool closing date, but sports and extracurricular activities can be considered for scheduling.

Sumner Family Aquatic Center / Rec Staff Employment Application

Submission Deadline: February 23rd, 2019

Position Descriptions

Hours for all staff are generally 12:30pm-5pm, 6pm-8pm every day and subject to weather conditions and patron attendance.

Manager/Assistant Manager:

SFAC Managers are responsible for the day to day operations of the pool and accompanying concession stand, including staff supervision and scheduling, money handling, inventory and supply management for concession, pool chemical testing, event planning, and record keeping. Managers should be excellent team leaders, well organized and provide friendly and courteous service to patrons.

Lifeguard:

SFAC Lifeguards assist managers in daily open and close procedures and are primarily responsible for the consistent safety overwatch and monitoring of pool patrons. Lifeguards also provide customer service and help check patrons in and out at the front desk and may work with managers for special event planning. Lifeguards require American Red Cross Lifeguard and CPR safety training prior to starting work. Completion of this training prior to opening day is the responsibility of the applicant. An allowance is provided following successful completion of training, and paid back to the employee at the end of the summer. Must be at least 15 years old.

Swim Lesson Instructor:

Swim Lessons are taught for six (6) different levels on weekday mornings from 9-11am from June thru July. Depending on the level, instructors will help kids become more comfortable in the water, teach different strokes, and encourage safety and fun in the water. Instructors will also conduct evaluations for each child based on American Red Cross criteria for each level. Swim Instructors require American Red Cross Water Safety Instruction (WSI) and CPR safety training prior to providing lessons. Completion of this training prior to opening day is the responsibility of the applicant. An allowance is provided following successful completion of training, and paid back to the employee at the end of the summer.

Concession Staff:

Concession workers will be scheduled primarily at the pool but will occasionally be scheduled to staff the Cub Park ball field concession stands during baseball season. Concession staff prepares and sells food, beverage and friendly, attentive customer service to visiting patrons while maintaining and clean and sanitized concession area. Concession staff will work with managers for re-supply and inventory needs. Must be at least 14 years old.

Interested in being a **Coach for the Swim Team** or have any **Questions** about the other positions:
