Please note: Games take place both in and out of town, on weekdays, with some exceptions such as League Tournaments. Coaches may choose to schedule more than one tournament. Games generally run for 1-1.5hours unless double headers are scheduled. Practices are 45min-1hour, and locations, are generally in town and up to the coaches.

Every effort will be made to avoid scheduling games that conflict with other programs, but cannot be guaranteed. Coaches will meet together with the Director at the beginning of the season to assign players to their teams. Players must stay on that team. Requests for specific teams/coaches will only be considered for those with special circumstances.
