

Tri County Sports Complex

Sumner is preparing its next chapter – one that promises family fun and exciting places for kids to play! With its reputation as a safe, clean and modern northeast Iowa town, a new opportunity is taking shape. Now, the community planning team needs your help to assure that the Tri County Sports Complex becomes a magnet of growth and inspiration for the entire tri-county region.

This project is a first of its kind for Sumner! Phase I includes 2 baseball and 2 softball diamonds, complete with team dugouts, batting cage, fencing, pitcher's mound; soccer fields, a hospitality center and parking. Soon to follow is Phase II that includes tennis court, pickle ball courts, playground, basketball court, and connection to the city's trail system. The existing pool will remain.

This transformational project promises many opportunities to build on existing community resources such as retail trade, local eateries and convenience stores. Given the community's "can do spirit", strong educational and civic leadership, this project is the crowning jewel to a town with deep civic pride and positive environment.

How to give

You can make a tax-deductible 501c3 donation towards the project at mysumneriowa.com

Community Benefits

- 1. Creates one more positive amenity** to a community that prides itself in big city living with a small town flavor.
- 2. Allows families to gather** in a safe space, promoting social interaction between and among kids and adults.
- 3. Contributes to the community's thriving atmosphere** of business growth and development.
- 4. Provides a recreational opportunity for nearly every one**, whether that be baseball, softball, basketball, soccer, running/walking, pickle ball, and more.
- 5. Retains and attracts a population** to support public infrastructure and business vitality.
- 6. Supports regional growth** and development in the tri-county area (Bremer, Chickasaw, and Fayette counties)
