## Tournament Rules

1. **All** participants must be at least 21 years old at the time of sign up. There are no exceptions.
2. We hope to get volunteers from the Volleyball team to assist with officiating. If we are unable to line that up the games will be self-officiated. One team who is not playing at the time will assist with this. We expect good sportsmanship and honest/fair violations called. If there is a dispute, then the Summer Days staff representative on site will make the final call. If there is an ongoing dispute, that point will be voided, and a re-serve will be done.
3. Each team roster must consist of a minimum of 4 Players but may have up to 8 on their roster.
4. It is required to always have at least 2 females and 2 males on in play.
5. **Scoring:** Each game is played to 25 points with rally scoring (i.e., point is scored on every serve). A team must win by at least 2 points.
6. **Play:**
  - i. A player may never block a serve
  - ii. A player may never use an open hand to volley a serve, nor can a player execute an open-handed volley on first contact (every time the ball crosses the net, including free balls) with the ball unless it is hard-driven (the serve is never considered a hard-driven ball regardless of its velocity)
  - iii. A hard driven ball is classified as a ball hit with a full swing and has very little arc.
  - iv. "Sets" that drift over the net are permitted
  - v. Lifting, scooping the ball and double hits are not permitted.
  - vi. A block is not counted as a hit
  - vii. A ball may be volleyed over the net only if you are square to the direction of the ball.
  - viii. Maximum of 3 hits per side.
  - ix. If the ball lands on the line it is in
  - x. Player may play the ball off any part of their body, including feet.

## Tournament Rules Cont.

7. Contacting the Net and Center Line: A player cannot touch the net at any time during the game (if you touch the net, it is the other team's ball). However, a player may cross the imaginary center line if they don't interfere with the play or get in the way of the opposition.
  
8. **Serving:**
  - i. Net serves are allowed (the ball is allowed to contact the net on the serve).
  - ii. A server may serve the ball from anywhere along the baseline.
  - iii. Servers do not rotate after five consecutive points.
  - iv. The same server continues to serve as long as his/her team successfully wins the point.
  
9. Although not required there will be a Team Theme prize as well. You are not required to participate but team themes/outfits are encouraged. Each team will cast one vote for what they think is the best theme. You cannot pick your own team. The winner will receive a prize.
  
10. **HAVE FUN!!**
